

Classic Remise

Berlin | Düsseldorf

Inspiring events. Breathtaking architecture. Legendary cars.

On 16,000 square metres, the Classic Remise offers a competence centre for rare and historic cars to all those for whom classic cars and collector's vehicles are more than just practical means of transport. In the Classic Remise Berlin, classic cars and collector's vehicles can be bought, sold, restored and serviced by professional suppliers. In glass garages, visitors can admire these vehicles that are usually only exhibited in museums. Specialists, technology enthusiasts, aesthetes and nostalgics about the rustiest hobby in the world meet here under one roof.

Depending on the topic, content and structure, our heritage-protected halls can hold events between 2 to 600 people parallel to the ongoing business operations. The event areas are permanently surrounded by approx. 300 classic cars and collector's vehicles, which create an outstanding setting for events.
