

BERLIN

One of the three most popular destinations in the European Union, the new Berlin is alive with captivating energy. Centered in the city's heart is the glittering Potsdamer Platz, with soaring skyscrapers, upscale shopping and the heart of the film and entertainment business. The Ritz-Carlton, Berlin is also here, whispering an invitation to luxurious escape from the bustle and excitement.

ARRIVE

Revel in the energy of this cosmopolitan city, then retreat to the exceptional luxury of The Ritz-Carlton - one of the most exclusive hotels in Berlin. In the hub of this re-emerging city, ideally located amongst hotels in Berlin, Germany, guests are invited to take in both historic sights and modern marvels. In addition to our exciting location and luxurious accommodations, guests may enjoy a variety of amenities and services.

RELAX

Replacing worldly concerns with a world of comfort. Escape to the peaceful, rejuvenating solitude of the wellness area and enjoy a pool, sauna and a fitness area with state-of-the art equipment.

REST

Each of the 303 elegant guest rooms, including 40 suites and The Ritz-Carlton Apartment, is tastefully and comfortably appointed with highest quality materials, exclusively manufactured for The Ritz-Carlton, Berlin.

LIVE

The Ritz-Carlton Apartment is contemporarily designed. 3.100 sqft of comfort with exclusive interiors, high above the Potsdamer Platz. Guests may enjoy unobstructed views of the city's skyline and the adjacent Tiergarten Park.

CLUB

For guests with particularly high standards The Ritz-Carlton Club - a „hotel within a hotel“ – was designed. In the Club Lounge of 1.600 sqft, guests may enjoy an outstanding view over the city and can indulge in daily food and beverage presentations.

NOURISH

Brasserie Desbrosses: Seasonal and regional specialities.

The Curtain Club: The perfect place for all connoisseurs with live entertainment atmosphere.

Tea Lounge: Within the elegant atmosphere of the lobby lounge guests may savor a daily modern interpreted afternoon tea ceremony.
